## PUNS AND HIGHS PLAY FINE BALL

Chillingworth and Hitchcock in a Pitchers' Battle—The Score Stood 4 to 2.

With Jupiter Pluvius in fine form and keeping the Alexander grounds and fans well-soaked, the college ball terrors downed the McKinley aggregation from Thomas Square yesterday afternoon in one of the best interscholastic games on record, the score being 4 to 2. It was a pitchers' battle from start to finish and, if "Hi" Chillingworth had been given the faultless support that the Puns gave Rex Hitchcock, the game might be going still.

Chillingworth struck out five, walked none and allowed six hits, while Hitchcock struck out six, walked four and allowed two hits, which makes it practically an even break.

Akina and Ray Hitchcock were the star performers with the stick, each knocking out a two-bagger and both bringing in runs.

Hitchcock, who pitched for the college team, annexed three men with nine balls pitched in the first inning. The fanning continued until the last of the fourth when Hoog dropped two flies letting in W. Hoogs and putting Akina on second. Then McKenzie and C. Hoogs laid down sacrifice bunts and Akina scored. By bunching their hits in the next inning, after two had struck out, the Puns put two more over the plate. Desha and W. Hoogs singled and both scored on Akina's double. McKenzie went out on a messy grounder to second.

The McKinleys scored their two runs in the sixth when Luk Yee walked, was sacrificed to second by Littlejohn, stole third on Hind's overthrow to third and came home on the wild play, coupled with the Puns' errors was the good base-running on Luk Yee's part. Tan Lo also walked and reached second and third by the robbery route in quick order. He came home on Hitchcock's wild pitch. After this the game settled down to a fast one and neither side scored again.

The features of the game, outside the work of the pitchers, were Luk Yee's catch of Desha's line drive to third; Rex Hitchcock's stop of Chillingworth's hot grounder, and W. Hoogs' catch of Chillingworth's foul that came down among the spectators.

There was a fair sized crowd in attendance, but the brand of ball put up deserved much better local support.

The following is the summary and score by innings:

AB	R	B	H	SB	P	A	E
Rex Hitchcock, p.	4	0	0	0	1	1	0

Country Club to Give Comet Night

"Comet Night" is the latest function in which the members of the Oahu Country Club will revel next Saturday evening in and about the clubhouse. Comet gazing, however, is only one feature of the things that are planned and which is in James Donaghy's elaborate intention to have carried out. The affair will include an afternoon golf tournament, a shower and jinks.

The golfing is scheduled to be a novelty tournament.

It is hoped that all those who have charge of the festivities will vie with each other in their attempt to concoct the most preposterous jumble of nonsense for the edification of all comers.

The entries for the tournament will close at two o'clock. The more elaborate ones will be entertained at dinner under the instruction of Mr. Cushman Carter. The "Look for the Comet," however, is set down as one of the supreme joys of the evening.

Local talent, including the "silver-tongued Alonzo Forswick," will contribute to the evening's pleasure and members of the McKinley stock company will have reviled songs later in the evening. A box of one dollar will be imposed to pay for the water napkins.

Banza! Think They Can Turn The Trick

The second game of the championship series between the Hana and the Aiea baseball teams will be played this afternoon at Aiea Park, beginning at one o'clock.

BRIGHTON BEACH, New York, May 14.—The Stimples, out with the twenty-four hour race for high-powered machines that ended last night. The distance was 1145 miles, some fifty miles lower than the record which is 1196, made at the Los Angeles sanctor track a year ago.

## KAMS LOOSE NERVE IN FIRST INNING

With a score of six to nothing against them in the first inning and seven errors against a clean slate on the other side, the Kams lost their nerve yesterday and were shut out by the Saints with a final score of 9 to 0 on the Kamehameha field. The Kams made fourteen errors and no runs during the game while the Saints made only one error. Lindsey made a two-base hit in the eighth inning for the Kams but was put out trying to stretch it to a three-bagger. The first and fifth innings were full of errors but in the fourth and the eighth the home team braced up some, making a double play in each. In the fourth quick throws from pitcher to second and from second to first put two Saints out and in the eighth from short to second and second to first scored two outs.

In the ninth inning Chinito, the St. Louis center field, made a three-base hit over the left fielder's head. Franco brought him in on a hit over the second baseman's head, stole second and came home himself on a hit by Pas-south.

Following is the score by innings and summary of the game:

SAN GABRIEL TO SEE PORTUGUESE TEAM PLAY

Large Aggregation Expected at Athletic Park Games.

This afternoon at the Athletic Park, the Oahu League players will pull off the third set of games in their series.

The first will be an encounter between the Marines and the Portuguese. These two teams are old rivals, both having tied for the 1909 championship at Alhambra Park. In the playoff, the Portuguese team won, yet the Marines have always had a feeling that they would some day be able to turn the trick and in today's game they see their long looked for opportunity.

A number of the soldiers from the Portuguese man-of-war now in port have signified their desire to attend the games this afternoon.

The second game will be between the J. A. C's and the C. A. C's. Espinda and Brito will form the Japanese battery. Espinda saved the Japanese from a clean shut-out at the hands of the Marines last Sunday and if the wishes of the Chinese are realized today, the "King of Spain" may be called upon to repeat his act during the afternoon.

The Bat, perhaps the best Chinese catcher in the Territory, will don the mask for the Chinese today. This is Chih's first appearance this season.

NEW MEMBERS PLAY ON CHINESE TEAMS TODAY

The three Chinese baseball teams each admitted a new member at the regular meeting last night of the Chinese triangular league, held in the clubhouse on King street. G. Pang, the crack Pacific field baseman, will wear the uniform of the Minors, beginning at the next game; C. Yon will be identified with the Liberties, and Hong Kee will get into the Vincars.

The hour for today's game was changed at the meeting last night from afternoon to nine thirty in the morning, when the Liberties will meet the Vincars for the first time in the second series on their regular league grounds.

RUNNERS TO GIVE EXHIBITION SPRINT

All the long-distance runners who expect to participate in the afternoon race to come off on the track of the league base will assemble at the league base grounds between nine and eleven o'clock this morning to be shot-gunned and after this ordered to start the race with some exhilaration on going motion to improve their condition for the long and arduous task of going to the other end of the island.

FOOK ON LOSSES.

There was only one game of baseball played yesterday at the V. M. C. A. and on the city lot. On Friday, Nott beat Pook 6 to 1 and on 21 to 15. Yesterday Nott defeated Johnston, 20 to 21, 21 to 15 and 21 to 15. This is Pook's first defeat.

## NATIONAL GUARDS WIN BOTH GAMES

Defeat Artillery 17 to 5 and the Fort Shafter Men 4 to 3.

Barry's men won out in both games at the league grounds yesterday, beating the Fort Rogers, seventeen to five, in the first game and barely pulling through with a score of four to three in a ten-inning struggle with the Fort Shafter team.

The first half of the game between the First Infantry, N. G. H. vs. Fort Rogers was a go as you please around the diamond for the Guards. In the first inning they scored four, seven in the third, four in the fourth and one in the fifth. The Rogers got two in the second and three in the fifth and then both teams began to play ball.

There was plenty of hitting on both sides and this kept the bunches of husky rooters from the forts worked up to a high pitch. It sounded from a distance as though there were several thousands of them, but they were not so many to look at as they were to hear. They had something to say about every play and a josh for every player.

Following is the score and summary of the first game:

The score was tied in the fifth inning in the game between the Hospital Corps and Fort Shafter, each team having three runs to its credit, and it took five more innings to settle it. Barry's men did a lot of heavy hitting, but the good team work of the Shafter's held the score down.

John Williams, the regular pitcher on the Hospital team was late, and his brother, who is not on the N. G. H. team, went into the game. It was mutually satisfactory at the start, but when the Fort Shafter men were beaten they seemed to think, perhaps, that the change had something to do with it, and after the game declared their intention of protesting and trying to have the game called off. Barry was very much wrought up over the matter last night. He said things about the Fort Shafter people, and declared he did not care if they knew it.

Following is the score by innings and summary of the second game:

PLAYERS FAIL TO APPEAR

The game of boys' doubles in the McKinley High School tennis tournament which was scheduled to come off yesterday morning, was indefinitely postponed, two of the players failing to show up at the Beretania courts. It could not be declared a forfeit as the absentees were to have played on opposite sides.

FOOK ON LOSSES.

There was only one game of baseball played yesterday at the V. M. C. A. and on the city lot. On Friday, Nott beat Pook 6 to 1 and on 21 to 15. Yesterday Nott defeated Johnston, 20 to 21, 21 to 15 and 21 to 15. This is Pook's first defeat.

## CAVALRYMEN TEN, MARINES NOTHING

The Fifth Cavalry, out at Schofield Barracks, have a combination of players and diamond that has outwitted all comers thus far this season. The horse-men made their first successful charge on the Marines yesterday afternoon, routing them completely. The score was ten to nothing. Last Sunday the Cavalry shut out the Fort Rogers, eleven to nothing. The only team that has yet been able to score against the Fifth is the National Guard Hospital Corps, which lost the game on the first of May by five to four in favor of the Cavalry.

The Marines said yesterday after the game that the diamond out at Leilehua was too fast for them, and the wind blew the dust in their eyes so they could not see the ball. The Cavalrymen, evidently have become so accustomed to their own dust that it does not affect them. Another thing that annoyed the Marines considerably, and which possibly was the chief obstacle, was the manner in which Kamma, the Cavalry pitcher, delivered the ball. He made it very confusing for the Marine batters, they said, so much so, in fact, that they were unable to hit the leather.

Following is the score by innings and summary of the game:
